WHY SPEND RS. 2.5 LAKHS ON GROUND CLASSES?

WHEN IT CAN BE AFFORDABLE

DGCA GROUND THEORY CLASSES

SUBJECTS TAUGHT

✓ AIR LAW

Get in-depth knowledge of Air Regulations, a very important and attention requiring subject. Study in accordance to DGCA Syllabus and exam tactics to score well & pass at first attempt with help of our RTS Notes and weekly examinations.

✓ METEOROLOGY

Study in a very simplified way the advanced and twisted concepts of Aviation Meteorology. Take advantage of our dedicated RTS Notes & Presentations compiled with weekly tests to ace your DGCA exams.

+91-9772116260

✓ NAVIGATION

Includes all Navigation Subjects according to DGCA Syllabus. We make sure that your fear of advanced terminologies & concepts or the huge syllabus is minimized with our structured classes and targeted RTS study plan and mock tests

FAQs

1.WHAT IS THE MODE OF CLASSES?

Classes are Conducted Online

2.WILL I FACE PROBLEMS UNDERSTANDING IN THE ONLINE CLASSES?

We teach on digital interactive boards and presentations, our teaching method is updated always with Feedback from students. Over 55+ students have been taught online, and we have received positive response.

3.IS ONLINE CLASSES BENEFICIAL?

A good interactive online class helps you understand better. Also allows you to attend class from your home, as you won't have to shift cities or travel to a class everyday.

4.BENEFITS OF ONLINE CLASSES?

The students may attend classes parallel to their Jobs/ College/ Daily Routine from comfort of their home. With RTS Ground classes they don't only save huge sum of money on course fee but also travel or housing cost if having to relocate for Physical Classes.

5.WHAT ARE THE MODE OF PAYMENTS?

UPI, Bank Transfer or PayPal.

STUDENTS RECEIVE EMAIL RECEIPT FOR EVERY PAYMENT
